

Holiday Club 31/10/2020

Activity Booklet

31/10/2020

Neon/ Light party

Lava Lamps

Method

- STEP 1: Pour just under half of vegetable into your jar.
- STEP 2: Grab your cup of water and put it into your jar until it reaches the top
- STEP 3: Get your food colouring and just to pour it into the jar (starting with

a few drops. I would say put about 7-8 drops in)

- STEP 4: Make sure you get an adult to help you with this... grab you alka-seltzer tablet and put it into the jar
- STEP 5-: Watch the magic happen....

What you need:

- Jar (Jam jar or any other jar with a lid)
- Vegetable oil
- Cup of water
- Alka-Seltzer Tablets

Glow Stick Creations

Method

- STEP 1: Grab the colour of glow sticks you want and the amount of connector you need

- STEP 2: Break the glow sticks so they start glowing!! Grab your connectors and start putting them together!

What you need:

- Glow Sticks Pack (make sure it has all the connectors in)

Ice Cream Sundaes

Method

- STEP 1: Put some Oreos into a bag and crush them up until they are into small bits.
- STEP 2: Scoop one ball of each flavour of ice cream into a bowl. Next grizzle the sauce on top of the ice cream.
- STEP 3: To top it off sprinkle the Oreo bits and chocolate chunks over the top of the ice cream.

Ingredients-

- Ice Cream (any flavour)
- Chocolate or strawberry sauce
- Anything you want to put on top
